STREAM Theme Book - Science

Everything You Need to Ace Science in One Big Fat Notebook

Everything You Need To Ace Science In One Big Fat Notebook takes readers from scientific investigation and the engineering design process to the Periodic Table; forces and motion; forms of energy; outer space and the solar system; to earth sciences, biology, body systems, ecology, and more.

Popular Fiction

The Man who Dies Twice

The book begins when Elizabeth receives an unexpected letter from a long-ago colleague—someone she thought was actually already six feet under. He's made a big mistake, and he needs her help. But that big mistake involves stolen diamonds, a violent mobster, and a very real threat to his life. As bodies start piling up, Elizabeth enlists Joyce, Ibrahim, and Ron in the hunt for a ruthless murderer. Once again, the Thursday Murder Club must set aside their G&Ts and lemon drizzle cake to avert disaster—can the gang find the killer (and the diamonds) before the killer finds them?

National Security Education Theme Book

Today is the National Day of China. Let me tell you about the remarkable developments that China has achieved in recent years. China has made incredible progress in various fields, ranging from aerospace technology to sports. The nation has been leading the way in innovation and progress. With the rapid advancement in science and technology, remarkable improvements in transportation infrastructure, and ambitious railway construction projects, China has cemented its position as a global front-runner.

關於中國航天，我知道多少呢？

關於中國航天，我知道——中國古人提出過哪些天文學說？甚麼發明直接影響到航天發展？錢學森是如何開始參與火箭實驗？中國載人神舟飛船有哪些主體設計？中國的探月工程是甚麼一回事？

《這就是中國》系列是專門為讀者打造的「國情教育讀本」，開闢山河、民族、道路、城市四個系列，共計16本。以一問一答的方式，帶領讀者暢遊中國的名川大山，體驗各民族的風土人情。
